

## SUMMARY

**Creative and user-focused UI/UX Designer with over 5 years of experience** in crafting intuitive and engaging digital experiences. Proficient in user research, wireframing, prototyping, and effective communication. Eager to apply frontend development expertise to optimize user interfaces and improve accessibility, delivering seamless and impactful designs across various platforms.

## EXPERIENCE

### Leading UI/UX Designer

**Mexygabriel Technology** *Oct 2019 - Jan 2024*

- Managed a team of 5 UX designers, overseeing multiple design projects from concept to delivery.
- Created a streamlined design process, cutting project timelines by 20% while maintaining high-quality deliverables.
- Developed user personas and journey maps to guide the design of customer-facing web apps, resulting in a 25% increase in user engagement.

### UX/UI Consultant

**Ken David orphanage home(Freelance)** *Nov 2021 - Nov 2023*

- Provided UX consulting services to various startups, helping them improve their web and mobile app interfaces through research-driven design recommendations.
- Designed and delivered responsive web layouts and mobile app designs using Sketch and Adobe XD, ensuring brand consistency and usability.

### Junior UI/UX Designer

**Lines & Web Company** *Jan 2017 - Feb 2018*

- Assisted in designing landing pages and interactive components for websites, ensuring a visually cohesive user experience.
- Supported senior designers in conducting user research and synthesizing findings into actionable insights.
- Worked on UI animations and interactions to enhance user experience, collaborating with front-end developers for smooth implementation.

### Visionary Labs

**Labs group** *Jan 2018 - Aug 2020*

- Designed and prototyped micro-interactions and transitions for web and mobile applications to enhance the overall user experience.
- Collaborated with the development team to implement dynamic UI components and ensure design consistency.
- Worked on accessibility enhancements, making the app more user-friendly for individuals with disabilities.
